Numbers: It is estimated that well over 180-200 people will be attending Moorleigh throughout the Carnival Day. We will also be hosting numerous VIPs in the club house during the day.

Steve Lefebvre has done a lot of work to ensure that MCC is hosting this Grand Final Carnival. So, I'm now reaching out to our other MCC family members of the club that love cricket.

**In short, MCC needs help and volunteers over the day.** This can be anyone from Juniors, Seniors, Mums & Dads even Grandparents. As our club's All Abilities program celebrates its 15<sup>th</sup> Year, I think it's very important and timely that we give back to an area of our club which has not only given us National recognition but a lot of joy. These players are always so proud to represent their club so it's now our turn to help support them on their big day!

# Please Volunteer MCC Family needs you.

BCF 

**Volunteer work that needs to be done.**

I would appreciate that volunteers send through what block time (1-6) they can help and what duties they can assist with.

For example - (Setup, BBQ, Preparation of food, Canteen, Bar, Cleanup)

Thanks, MCC Family
